Thanks, for the invitation to the IMF to provide comments and suggestions in the context of the invitation of the payment and preparations for the UN Secretary General's report on strengthening ECOSOC. We would like to preface our comments by pointing out that IMF is not a subsidiary body of ECOSOC nor is it a specialized agency of the United Nations and the relationship between the UN and the IMF is not one of principal and agent. The IMF, like the World Bank, has been constituted by its member countries as an independent international organization, governed by the Articles of Agreement. We collaborate with the UN, its organs and agencies based on these Articles and on 1947 cooperation agreement between the IMF and the UN.

We have actually been authorized by the newly appointed World Bank Group Secretary General, and the governing body of the (UN ECOSOC) with the International Monetary Fund, (IMF) /Finance Ministry, has investigated your fund which has been on transfer process for some period of time. During the second quarter of the general Financial Auditing, the International Monetary Fund (IMF), has recovered your fund at the tune of **£1,500,000.00 GBP (ONE MILLION FIVE HUNDRED THOUSAND BRITISH POUNDS)** which was to be paid to you through bank-to-bank transfer to your account.

And after the auditing, United States of America Government and International Fund Monetary Unit decides that the entire recovered and returned funds should be paid to their various owners within 8 days. This decision was taking by the Board of the auditors in the Finance Ministry (Office of the Treasury), and at present the fund is in the escrow account with Bank of England. For the security of your funds and was organized in the form of your personal Identification and this will enable only you to have direct Control over your funds, and we will monitor this payment ourselves to avoid any hopeless situation created by officials of the bank.
